**STEP 3: RECRUIT**

Send an email to your friends, family, colleagues, and classmates and ask them to join your team AND encourage them to set a goal to join the Grand Club too!

**STEP 4: FUNDRAISE**

3 simple ways for each walker on your team to raise \$1000 and join the Walk Now for Autism Grand Club....

1. Write a letter to friends and family explaining why you are walking and why their donation is funding significant and ground-breaking research, advocacy efforts and family services in St. Louis and around the globe.

2. Host a Casual Day at your place of employment and ask your employer to match the amount raised.

3. Host an event... Trivia Night, Poker Tournament, Crazy Bowl, Scrapbooking Parties.
